Commenting on the third quarter results, Earl W. Net loans and deposits have increased at 9.3% and 14.8% respectively. As we stated in June, we continue to experience margin compression due to the current interest rate environment. However, due to our balance sheet mix, we are well positioned to manage through the interest rate increases. The Bank's non-performing loans and past due loans remain at historic lows. I want to commend all of our teammates for the outstanding work they have done to produce these year-to-date results."

Continuing, Worley stated, "We were extremely excited on September 29<sup>th</sup> to break ground on our 10<sup>th</sup> full-service office in Dunn, North Carolina. The City of Dunn, Harnett County and the Dunn community have welcomed us with open arms. We expect the new office to be completed and open in second quarter of 2024. The five county market area KS Bank serves continues to provide growth opportunities and we are excited for those opportunities."
